“ Mary Kay and family. I am so sorry to find out about your mother's passing. She was a very sweet and kind lady. I always thought she was one very special lady and was glad to have gotten to know her. She was always so kind to me even after James & I split up, she understood why. I miss her and I miss the old James. I think of your family often. Your mother was one wonderful strong woman. Know Heaven has another angel.
