“ *So sad to hear of the passing of a dear lady and friend to all of Lyle Wayne's buddies as we grew up on the baseball field. None of us guys had to worry about a drink or snack when we were at the baseball field because Miss Alma Jean was there to watch over us like a second Mom. She loved her baseball, but most of all she loved her "kids" as she called us. I have so many memories of her cheering us all on and supporting us with that great big smile. She was a dear friend to us all.*
