“ *Gene and Holly, I just read about the passing of your wife and mom. I hold a special place in my heart for Barbara. She was a great person and wonderful nurse to many students over the years. I think about her every year when I put my ornaments on my tree. She loved to cross stitch and made an ornament for Jim. Please accept my sincere condolences to your family. May God bless all of you in the days ahead.*

“ Holly, there are so many wonderful memories from when we were little and getting to spend the night at your place. Your Mom would fix us chocolate gravy that was awesome! (I couldn't have at my house). MS Barbara was the most kindest person and had a wonderful sense of humor. She is the one who inspired me to be a nurse. She will always hold a special place in my heart. My thoughts and prayers are with you, Mr Gene and all of your family.
