“ I have a heart full of memories with this sweet friend. We have had some great times when we were younger . I'll just mention the birthday cake that we passed back and forth for eight years . I drug it out of my freezer , filled the hole in the side with Icing , placed marigolds around the bottom and stuck a little yellow jig saw in the top. It was gorgeous and Chad cried because we would'nt let him have a piece. That was the last pass we made . Our birthdays are the same day Another adventure was when we took my niece and her college roomy to New Orleans for Spring break . What a trip!
I loved Barbara like a sister snd I'll treasure all those memories forever . She and Neal are together now and what a reunion that was with him and Mary and Dalda . To Gary,Tina and Gayla/— I will keep you in my thoughts and prayers !
