“ *Dear Joyce and Kim. Larry just told me of Billy's passing and I read the obituary In the Democrat Gazette. I am so sorry to hear this. Joyce and Kim, I have treasured memories of both of your talents in designing and creating beautiful textiles. I also remember the delicious lemonade and funnel cakes covered in powdered sugar that your mom and dad created. I thought they had a wonderful life together, traveling all over the country working fairs and events. May God continue to bless and keep you and your extended family. Much love, Mary Kay James.*
