“ Buck, you were and are one of a kind I grew up with you in Humnoke and knowing your family was humbling. I'm sadden for your departure from this earth that we have enjoyed so many good times on, least we never forget the good times and blessings granted us. May the things to come be the will of our Lord and Savior for the journey has only begun. My thoughts and prayers go all the way back to honor your mom and dad, Jesse and Jimmy for they took my dad, Woodrow Crawford in as a young teenager and provided room and board for a short period of his life that brought him into manhood. Buck, you will be missed but not forgotten the old Jordan Brake, Crooked Creek and many other bodies of water that you used will always have the hunting and fishing spirit that you display. Let us keep the faith, hope and love for we strive to meet once again with a great rejoicing ceremony with the King of Kings. James Crawford

“ *The Kochel family all loved Mr Bill. He would always show up to sit on the front porch and visit when we were in Reydell. And he has probably fixed almost every broken thing around our house and shop. When we had guys visiting( especially new duck hunters) the Kochel boys always had him blow his duck caller for them. He will be missed!*

*I will sure miss Mr. Bill. He was a big ole mess though. He had a mischevious grin and a sparkle in his eye, like he just had fun causing trouble. Boy, could he ever blow a duck call. He would say "duck callin' don't matter, ducks come or they dont". His recipe for cooking duck was a laugh.*

*"Wrap it in bacon, grill it up real good, then throw out the duck and eat the bacon". He always asked "how's your daddy" and "how's your mama" and listened when I told him. A good friend who would help you out any time he got a chance. We will sure miss him.*

*Mr. Bill was fantastic to us. He taught us so much. He, and my wife, Brooke and youngest, Rumi were 3 peas in a pod. So different, but all cared so much. <3 Rest in Love, Mr. Bill.*
