“ Dear "family" Was shocked to see Billy's obituary this morning. wished I had known earlier so I could have come down. Mikki your dad was always so good to me, treated me like one of his. Always seemed so glad when I stopped in for a visit when passing through. I appreciated the farms business when I was selling vehicles more than you know. There will be a big hole left in your family that will never be filled. My thoughts will be with you Vera and your family today and the days to come. Once again wished I had known earlier so I could have come down. Love ya Mikki!!Debbie and Jerry CanfieldMountain Home, Arkansas
