“ I really liked and respected Mrs. Bennett . She was my American History teacher directly after integration in 1966. She was great at teaching. I'll never forget American History baseball games. I enjoyed seeing her from time to time at Kroger. Rest on Mrs. Bennett❤️

“ Our prayers are with you Doyle, Greg and family. I have so many childhood memories of Mrs Bobbie. Since we moved away we didn't see her often but we are so thankful we had the opportunity last summer to spend some time visiting with her. We sat on her porch with all her beautiful flowers while hummingbirds and her kitty's played. We had a great visit. She was filled with so much knowledge. We loved her and love you. We know she will be missed.

“ I was so saddened this morning to hear that Mrs. Bennett had passed away. I loved her as an American History teacher. Later I was her part-time mail carrier, I always enjoyed going down to her house with packages, she and I would talk about all of her beautiful flowers, she was so proud of them all, she had a green thumb for sure. I'm thankful for the visits. My prayers go out to all of her family. Heaven will be so beautiful with Mrs. Bennett there. Rest in His loving arms sweet lady. Shelley Mitchell Carrigan

Bobbie upset the class numbers when she joined our class, of 7 girls and 7 boys, but we became friends and several of us would go with her family to her grandparents trailer at Aberdeen and then get to go "cruising in Clarendon" Oh, the good old days. My prayers are with your family . Agnes Powell Jackson
