“ I remember when he was hired at Vansandt Farm Service. I have never seen anyone so excited about getting a job in my life. He came into my office with the biggest smile on his face and said, "I got the job!" And I saw that smile every working day for the next 4 years. He was so pleasant to be around. Have been missing him and will continue to!! Prayers for his loved ones. 🙏❤️

I loved being around Brandon, he was so funny! He was one of the good guys, to know him was to love him!! His sarcasm was one of my favorite things about him, I think that is why we got along so well. Love ya B!! You're gonna be missed!! Wish I could be there today💕💕
