“ I'm so sorry to hear about mark!! He was a real gem!! Mark drove the ambulance for several years and we made many miles together!! His grandmother and my great uncle were married, but we never were close, until we got to know each other better riding the ambulance!! I've missed our trips together!! He could come up with all kinds of funny things to say or do!! One thing strange about Mark was his foot fetish. I was always self conscious about my shoes or SANDLES when I would see him!! I cherish all my memories of our times together on and off the ambulance!! He will be missed so much by many!! Love ya, step cuz!!
