“ *I remember singing with Chuck and another friend at one of the country churches in the Milo area when we were in junior high. People would ask us to sing and lead songs whenever they had a "singing".. Chuck had a beautiful voice and didn't seem to be shy. I remember him being in CHS choir and madrigals in high school. Heaven has gained another choir member. Prayers for the family. Julianne (Johnson) Sommers*

“ Being almost a decade older than Chuck. I watched him grow from an active toddler to a curious nine year old with a million "Why"s per hour, it seemed, to a quiet, intelligent, successful family man. Karon, Phillip and Kris, in the last twenty years, we never saw him that he didn't bring us up to date on his boys and his grands! He was very proud of a his family and our prayers are with you at this sad time. I will miss my cousin, especially his smile! We enjoyed his rare visits!
