“ Chester has picked a lot of ducks for me over the years. He was always so friendly when I came by. I enjoyed talking to him and will miss him. The old school people like him are getting less and less. A very good man! Farin Dyson

“ I worked on WRNR with Lock, and would sometimes help him cruise timber. He was one of the best men I have ever known. His motto was "IT WILL BE ALRIGHT". I lost a very good friend. I will miss him.

“ Chester was a GOOD Man. If he ran into a lost person in the Refuge when it was 20° with just a tee shirt would give him his coat and take him to safety. My father, EW, and mother, Helen were close friends and always thought the world of Polly & Chester. They too, have passed on and I only wish my father was still alive because he would bring a smile to Polly's face thru this time of strife. She knows what I speak of. My family and Patti's are at a loss to the loss of an exemplary MAN and the goodness HE brought to anybody who ever had the opportunity know him. I figure him and EW are already telling story's and laughing at their exploits in the Refuge. Peace be with you Polly and may GOD have Grace upon you and your family. Michael, Patti, Barbara, Rodney.
