Corlis was the sweetest, kindest person who was faithful to her church eventhrough the hard times. She sat two pews in front of me and we prayed together when she would go to the front for us to pray with her for healing. Praise God she is healed now!

Corlis was a sweet soul. We ran into each other a month ago and we talked for an hour. We shared about our grand babies . She will be missed, but her suffering is over. Heaven gained an angel with her for sure
