“ To the Entire Flemings family, We are so sorry to hear of your loss. We want to wish our sincerest condolences.

I remember visiting Lorene and Marshalls home in Dewitt With my parents Jim & Joyce Adams when I was a kid. It was a nice place in the country. Carl let me play with some of his and Rex's Model cars and we played football in the front yard. I was on Carls team. We didn't get to see each other that often but I always have those memories of visiting and the wonderful hospitality the Flemings always had.

Rest in peace Carl, you will be missed.

“ *That night repeats itself over & over just like it happened hours ago. Still now and always you will be sorely missed. Our grandson looks so much like you, I will never let him forget. Your children still hurt and miss you to the bone. Thank you for a lifetime of wonderful memories.*
