“ *Debbie was my friend who I loved dearly. We laughed, cried, and prayed together. We shared our life with one another. I will miss our long conversations and making beautiful homemade cards at Fellowship North. Her spirit will always live in my heart. She was so proud of her family. Always bragging on Jeff and what he was up to, and sweet Beth, the apple of her eye. Beth, she loved you so much. And the love she had for her parents and siblings was sweet and genuine. I loved her gentle spirit and honesty. What a treasure to have been her friend.*
