“ Loved Ms. Delphia. She was a good friend and I enjoyed her company many of Sunday after church. She was kind and very smart, loved to read! She was knowledgable of a fair amount of topics! I considered her a good friend. I also spent a brief time with her at the nursing home, where I worked, and she was her sweet self. I will miss her and her wonderful friendship. Thoughts and prayers to the family.

“ I have been visiting Chenal Nursing home with my Therapy Dog, Riley, since 2011. I have always enjoyed visiting with Mrs. Padgett. She was one of my favorites. I was able to visit with her Febuary 16, and as usual, she was her sweet self although she was in bed. I had been out of town, and when I was there today, I was informed of her passing. I will sure miss this wonderful lady. We had many talks and laughs. My thoughts are with your family.
