“ I just read this in the DeWitt Paper . So surprised! Dorothy's grandmother Myrtle Burnett was a great inspiration to me in my teenage ministry. Dorothy came to hear me preach on occasions at St. Charles.

“ On February 1st 1974 we had babies within about 5 minutes apart, at the Stuttgart Hospital. I always thought she was one of the kindest people I ever knew. Only knew her for a short time in my life, but I thought about her because she was the kind of person that you remember.
