“ *I am saddened to learn of Edna’s passing. Our friendship started in grade school. I remember being so excited when school started our 5th grade year because I would get to see Edna. We giggled and laughed at everything and nothing! We remained good friends throughout our school years until we graduated and went our separate ways. There’s no doubt she has gone to be with her Heavenly Father. I can almost hear her singing- “ I’ve got a mansion just over the hilltop-“ as she walks on streets that are paved with gold. Thoughts and prayers are lifted up for Edna’s family.*

“ *So very shocked and sorry to hear about Edna. She was one of my best friends in high school. We had many laughs and good times together. My name is French now but I was Sharron Wells in school. God bless Edna and her family.*
