“ We truly enjoyed the Sundays we were all able to enjoy family time and the generosity of all who cooked and served the lunches. These were memories we will always enjoy and our children as well. They were always fun loving and we are thankful to have been with everyone. I consider Elsie as a dear friend and I learned a lot of wisdom from her and am grateful I was able to know her so personally. She had a faith and integrity that will live on I believe. I praise God for her and all the fruit He brought forth from her and the life she lived so fully.

Mrs Elsie will be missed by many in Almyra! I remember my childhood years of spending the night (many) with Judy and Janie and with Mrs Elsie and Mr Sonny. I have so many good memories of them. They were always kind to me! My prayers are for all the family in the days to come.
