“ *I first met Mrs Enola when she gave me a cutting of her mint plant at least 13 years ago. I've propagated, dried & crushed mint ever since, always remembering her generosity & love of life.. Then she became a church friend several years ago & became of my dearest blessings. She always had a kind word of encouragement for me & always lifted my spirits just by speaking with me. She was one of a kind. I'm truly missing her warmth & fellowship. My prayers to all of you who are mourning the loss of this wonderful angel, who's now one of God's special angels.,may she continue to watch over her family, who meant everything to her, from Heaven above.*
