“ *when I was a little kid Junior was just another one of Jim and Lizzy Coose's extended family. Grandma loved to have her children and grandchildren around . That included Sally Ann with Junior and myself and all the others. As I grew up Junior always had a smile, a twinkle in his eye and a good natured teasing for me. Not too long ago when we both happened to be in Nady I saw him at the Wild Goose. He still had that twinkle and a story to tell. I extend my condolences to his family and friends. Especially to you Gala, Thank you for all that you did to make his last years easier. May you find satisfaction in that. Alfred Coose*
