“ I met Eugene in the the early 60's when he was dating Cheryl whom I met when she was 5 in the first grad. He was at most home football games and many other GHS events in 1961/2 & 3. Cheryl was in nursing school in LR in 1964 and Eugene was having problems with his car so I took him to LR one Sunday to see her. It was a good experience and over these years and thousands of miles I learned to appreciate Eugene and Cheryl more and more. We will miss him. I pray that Cheryl and family find comfort for this stressful experience.

“ Eugene was a great man. He was a hardworking caring man who thrived at life and always put his family first. He would do whatever he could to help anyone in need . Eugene always put everyone else's needs before his own. We shared so many memories together that I will forever cherish. He could always brighten a room with his smile. I looked up to him and learned so many things from him that I will forever carry with me. He loved the outdoors. He loved to hunt and fish. The smile I saw on his face when he killed his last deer could have melted anyone's heart in a second. He loved his deer hunting. Euge was also very good at carpentry. He could spend all day and night in his shop building something and put numerous hours of sweat and hard work into it and would make the prettiest things you've ever seen. He was by far one of the most generous, hard working, kind hearted men I've ever met. I will forever carry his memories and a little piece of him with me. And I know everytime I climb in my stand during opening weekend of hunting season he will be right there with me and telling god to send a big buck my way. Rest in Peace Eugene. You have gone to a better place where you will no longer suffer from anymore pain but your memory here will live on forever in every person you've touched.
