“ I am so sorry to hear of Mr. Harrison passing. I loved it that he was able to reconnect with my parents years ago and spend time with our family over the years. I loved hearing the stories he told of him and my parents childhood escapades. He will be missed by the Faulkner Family.

“ I am so sorry to hear that Harrison passed. We graduated in the same 1959 McGehee High School class. We had equal boys and girls so the graduates walked side by side, boy and girl. I was honored to walk beside Harrison. I have pictures made of him and his car at our 50th reunion. He was a fine man. Judy Dunn Magee
