“ I worked alongside James as a security officer in Stuttgart, about three months. Though our time together was brief and we only worked a few days a week together, he definitely made an impression, we instantly hit it off. His dry, hilarious sense of humor and his no nonsense "get the job done" attitude was refreshing and made our shifts pass by.
I will keep the Simmons family and friends in my in my thoughts and prayers.

“ I've know James for almost 10 years. We worked together out here as Security Officers at Lennox. I'm really going to miss seeing him at work everyday.
