“ Jay was generous, compassionate, caring and so full of life and humor. He cared for and loved my Aunt Mildred Cockrum in her last years and days. I met him after his lovely wife (my cousin Sharon) had passed years before. I'm saddened that I didn't visit them all in Arkansas sooner...i had not seen Sharon and the family since I was 16 and traveled with my parents and siblings to Arkansas. My sincere condolences to Sarah and all the family he dearly loved. I loved getting the photos of the grandson and proud parents. Sending much love and praying you are comforted by the many loving memories.

“ Sincere condolences to your family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: “ Jesus plainly told her: “I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life.” —John 11:20-25.
