“ Judy, I am so sorry for the loss of your mother. I have so many memories of spending nights at your house and the fun we had and even visiting with your Mom at the Factory Store when I was home visiting Mom and Dad. That seemed to be where to meet up and visit! LOL. I know your heart is breaking but you have lots and lots of wonderful memories. Keep them alive and know where she is and that will ease the grief a little. Wish I could be there for you and give you a big hug. Love you!
