“ *When I was a kid Jimmy and my stepbrother Jimmy Lee Maddox was good friends. Parties at Brewer Bottoms at Mr. Billy's and used to be a regular on the square. Good hearted. Condolences to the family.*

“ *When I was a teenager and Senior in high school I dated lil' Jim's cousin(porter gill). We was partying down at Billy's in Brewer Bottoms. Porter was wearing my senior ring and lost it out there. I was kinda furious at myself for letting porter wear it and mad at porter for losing it. We searched and searched for a very long time and ruined our party mood. We never found the ring and eventually we left and went home. The very next day I get a phone call saying lil' Jimmy searched more than night and the next day. He was about to give up when suddenly a glare got his eye and he looked down and found my ring. He was more excited that he found it than I was. I'll always remember that. That was 38 years ago. Rest in peace my sweet friend. I wished I had ur hat to remember you better. Love,your friend, Cyrisa K. Jackson*

So sad to hear about Jimmy's passing. I'll always remember when they lived across the road from Ricky and me. Jimmy and Ronald would come over almost every day to see me. They were both so respectful and just good little boys. He will be missed💙
