“ Anna Marie & family,

Daddy, (Harold Balios) has fond memories of your sister & father, Levi, as well as you & Monty. I appreciate so much your sharing the information about JoAlla's illness and passing. You had told me that she had suffered with health problems for years, and I understand that, although you will miss her, it is somewhat a relief that she is now resting peacefully.

Daddy sends his love and sympathy as well as my sister, Vickie (who's daughter, Kody's funeral you attended). We all appreciate that you drove to Little Rock for Mother's funeral as well.

Frank and I will be attending JoAlla's funeral this afternoon. If we are unable to see you there, please know that our love and support of your family's loss is deeply felt.

May time and the comfort of God and friends be with you.

Our love,

*Becky and Frank Thorne

“ *JoAlla has had a special place in my heart since we were just little. Growing up cousins just one year apart, we had some great experiences. Last time I saw her was at the Jones reunion in Ark as I live in California. We talked a few months back and I knew she was struggling! May she Rest In Peace as there is no more pain. Loved her.*

I will miss her!
We are thankful for the family! You are all in our thoughts and prayers 🙏❤️
