“ I never thought I'd be doing this so soon. But time has slipped away so fast that it's hard to keep up. I was going to text you and tell you about my daddy's passing July 17th a day before you're birthday. Yea I remember your birthday! My daughter Punky was born on that day because I had the choice to pick her being born in that time frame and I did because it was also your birthday. Things seem to get in folks way from taking the time to call old friends because we never expect the inevitable. But, it happens and we live on to be sad because we didn't. I really am sad you have moved on with so many friends and family who now will only have cherished memories. But, memories can be a good thing sometimes. Rest in Peace Karen. Glad we met many years ago! Bye for now!!! Wade
