“ I am so sorry to hear about Ken's death. We had been good friends for years when I lived in Ruston and worked for the Ruston Daily Leader. We spent many hours talking on our CB radios to each other and visiting together. We had some great Saturdays deer hunting together too.I had lost contact with Ken until just a couple of years ago when he called me at home out of the blue, with the help of Edith. I knew he had had some terrible health issues.
