“ Ms. Linda was my 9th grade computer tech. teacher, and my 10th grade speech teacher - if my memory serves me. I remember her being very efficient and organized. She was a nice person. Blessings to the family. - Emili Brooks (Morehouse)

“ Linda was the SE District United Methodist Women President when I took on the job of district treasurer. Linda had all of the district officers over to her home where she served us delicious snacks. She made us feel so welcome and she was so organized. She had a whole table full of handouts for us to help us become acquainted with our office and the district. She made it look easy but I know she took a lot of time and effort to be prepared. She was a wonderful president and such a lovely person. She will be greatly missed but we have fond memories of her.
