“ My condolences to Lisa's family & friends. Lisa and I were friends a long time ago. I was living in Dewitt with a lovely family that was kind enough to let me stay with them during a really tough time in my family. Lisa was my friend during that difficult time and stage of our lives. Our roads from the 11th grade forward were very different and we reacquainted only recently via Facebook. I know our world without Lisa is a little less shiny and a whole lot less unconditionally accepting. And we will all miss out on a whole lot of love. RIP, dear Lisa. Thank you for your friendship. Now, your life has been cut short by a terrible disease. You leave a void in all that knew you. May we all meet again in heaven.
