“ *He baptized me in a cow pond hahaha.
He was most serious about our God*

*He saved every book from a sand bar collapsing as my husband
and he were studying scriptures.*

I can hear and see him laughing.

Soon Michael, soon!

“ Mike & Lynette are the two best friends I have ever had, & they are my brother & sister in Christ Jesus. Mike helped me understand the scriptures so clearly, & I'm really going to miss not being able to ask him scriptural questions. He was a true friend in every way. I miss him so much.

Michael and I had been friends since the late 60's. I hadn't been around Michael much since we grew up and started our families but I always knew I had a true friend in Michael. He will be missed by all who knew and loved him.

“ Lynette & family, so sad to hear of Mike's passing. Such a nice person. He was so good to my sons when you babysat them, they really liked him. The world was a nicer place with him in it, he was always pleasant to all. My deepest sympathy.

“ I really don't have the words to express how much I appreciated Mike. He died one year to the day he did my brother's eulogy. Mike wasn't sure he could do it, but he did it wonderfully and with all of the charisma and wit that charmed all of us. I know that Mike and Tim are in heaven rejoicing together as we grieve their loss on earth. And I pray that Mike's testimony of loving and living for Jesus will continue to shine brightly here on earth.
