“ This is a beautiful tribute to Minnie. If you'd like, I can help refine it for you to share with family or friends. Here's a slightly polished version:

*We were saddened to hear of Minnie's passing at the remarkable age of 103. Though I never had the chance to meet Minnie in person, I feel so grateful for the ways she touched my life. My mom married Minnie's brother when I was 24, a second marriage for them both after losing their first spouses.*

*In 2020, during my battle with breast cancer, Minnie sent me a thoughtful gift of Christmas socks and candy—a gesture that truly warmed my heart. It's one of many examples of her kindness and thoughtfulness.*

*My mother, Barbara, who is now 92, asked me to share how much she loved and cherished Minnie. We take comfort knowing the angels are with her now.*

*God bless Minnie, and may her memory always bring light to those who knew her.*

*With love,  
Susan Farmer and family*
