“ Jerry,

My lasting memory of your mother is one of a lady who graced the city of DeWitt with her presence and I know she will be greatly missed. The relationship selection on this page leaves something to be desired -- there was no place to show that I am and always will be your sister-in-love.

May the Lord shed His loving comfort over your family in the wonderful way that only He can. Am looking forward to seeing you.

With much love,

Ann

“ I, too, loved your momma. She and your dad are part of my memories of growing up in DeWitt. No matter how old we are, losing a parent is hard. My thoughts and prayers are with you.
