ME

“*Nora was a wonderful mother-in-law to me and has been the best grandmother to my daughter, Elizabeth. I remember after Elizabeth's birth while I was coming out of sedation, her shaking me and shaking me and exclaiming "You have a beautiful baby girl! You have a beautiful baby girl!" She loved Elizabeth unconditionally. Even after Kenneth and I split up, she still called me her daughter-in-law and she was always my mother-in-law. In recent years, we have dined together on most Tuesday nights, while she got to enjoy spending time with her great-granddaughter, Devin. She has been a part of my life for 22 years and I will miss her. I owe her greatly as without her, I wouldn't have my precious daughter and granddaughter.*
