“ Keeping your family in my prayers. I know this is hard, but she is pain free and probably working on her garden in heaven right now. Your mom was a treasure.

“ I am so sorry for your loss. I never met Ms. Burns, but she was always a pleasure to talk to on the phone. She was a sweet lady and always had a beautiful yard. It saddens my heart that she is no longer with us, but I know that she is in a better place, no more pain and sure she is enjoying 20/20 vision now. Prayers for the family.
