“ *My memories of Mrs Ola was when Sonny brought her to the salon. Boi she sure did love to get her hair done. I loved she her face and her putting her lipstick on after getting her hair done. You couldn't tell her nothing. She always went out that door all sassy Lol. I would listen to her stories and any advice she would give me without judgement. Sheila your definitely right she loved the Lord so much. She will be missed my many. U*

“ *The thing i remember the most about my mother is she loved the Lord with all her heart, he was everything to her, she would always say,"I don't know how a person could walk around in this world and not have him in their heart, it would scare me so bad. I will miss her dearly. S.D.*
