“ I have so many memories of Aunt Pat that there is not enough time to write them all. So, I am going to say that you are the one that will be at the gate waiting on us all when it is our time to see you again! I know everyone was happy to see you, especially, Brandon, Eddie and Uncle Harmece! Grandmaw and Grandpaw too!! Aunt Helen was probably telling stories about you, while Uncle RV laughed and shook his head. Joe was laughing about something as usual. Uncle Henry just looked at you and smiled. When it is our time to be there we will all see you again, so until that time this is not good bye but til I and we see you again. stay happy and keep your eye on us as you always have. we will be ok. we will see you again one day. I love you!!!..

“ I remember as a child your house was one of my most favorite places to be. Spending time with Charlotte, Trisha playing Hungry Hungry Hippo with Brandon. You were so funny and beautiful and easy to talk to. Hug everyone for me. I love you to God and back.
