“ So sad to hear of the passing of Maureen. She was a great sister-in-law to me for many, many years, and even though we didn't get to see each other often it leaves a hole in my heart knowing that she will not be there to visit with. Even though she will be missed I know that she is in a better place without pain and suffering.

“ I remember when she would come to town she would always come by my job just to say hi, I I always thought that was so sweet. God bless you and may He be with you on your journey, I know just seeing your loved ones is putting a big smile on your beautiful face. Love you.
