“ Roger and family, I was so saddened to hear of your mother's death yesterday. She was the sweetest friend to me, I always enjoyed visiting with her when I went to Wal-Mart and she wouldn't let me leave without getting her hug. She was very loving and supporting when I lost my daddy 2 years ago, she always took time out to visit with me, I always went to her check out line so we would have time to talk and catch up. I never left without a hug and an I love you. She will be greatly missed, she was a wonderful person with a loving and caring heart. I'm so sorry for your loss, I send my prayers of love and comfort for you and your family. She will always hold a special place in my heart. Sincerely, Shelley Mitchell Carrigan
