“ *When I was small girl, Aunt Phyllis and Uncle Elmer would take me to spend time with them, often weeks at a time. I will never forget that Mustang and all of the pretty what-nots she had around her spotless house. She was very good to me and lots of fun. I loved spending time with her. What a great lady! Rest In Peace with Uncle Elmer. I can just hear her fussing at him. I can also hear her laughing too.*
