“ I remember "Mr. Quinn" from my childhood. He and my dad, Dick Freeling, were great friends. Dad would call him Quinnie and I always thought that was such a funny name for such a big man. You were so blessed to have him for 100years.

“ Dear LaFargue family and Mary Jane,
Thanks for sharing Mr. Quinn with me and our families through the years. We all have so many great memories of the times we spent together with Mr. Quinn. Mr. Quinn and Uncle Ed playing in the Pine Belt four ball in Fordyce are some of the earliest and best times I can remember as a boy. Mr. Quinn was always someone I remembered even as we lost contact for many years, then reunited a few years ago thanks to Mary Jane and George for that.

God Bless your family,

“ Dear Big Daddy’s Family and Friends: Please accept my sincerest condolences. My most vivid memory of Big Daddy, was when I got ready to go to college. He gave me “that look” and said, “What you need to do is keep your hot pants on”!! Wise advice! Well, and his cat, “Bung Hole”!! I am asking The Holy Spirit to pour His Peace And Contentment, Comfort And Joy, Down Over You All, Like Warm Honey. Our families have been friends for many generations. Blessings! Nancy and I offer our condolences to the family of beloved Veteran Mr. Quinn LaFargue who contributed immensely to peace in Europe and our world as he put his life on line fighting nazi airplane pilots in the air war over Europe and vicinity. Thank you for your valuable service. R.I.P.
