You were taken to soon from us, my heart is aching, I love you and will miss you always. You were the sunshine in all of our lives and brought such joy everywhere you went. There will never be a sweeter, kinder, more gentle soul. You were always there for anyone who needed you. I don't know how we will get along without you. You will remain in my heart forever. I love you Reba

“ I am so very sorry to learn of Reba's passing, she was a special person for sure. I have never known of her to be mad at anyone, she had the most forgiving and kind heart. She worshipped and adored her family! She was a very intelligent and hardworking co-worker , I loved and admired her. It is especially heartbreaking to think about her grandchildren, I know she was the best and would have been such a beautiful light all through their lives. Prayers for all of her family and loved ones

“ Mrs Reba was so sweet to me and my family when they lived in Crossett. She would babysit me while my dad worked at night. So I know she was an amazing mom and grandma too! Prayers for y'all in the days to come.

“ Aunt Reba,
You were the kindest person I have ever met. This world is a little bit dimmer now that your shining light has moved on. You were an angel here on Earth and now you are one of God's angels, watching over all of us. I am proud to have been a part of your life and I will always take your memories, sweetness, laughter, and love with me every where I go. You have taught us how to be kind, even when the world is against us, how to see light even in the darkness, and to show love, even through the hate. But most of all, you have showed the world how very proud you are of your daughters, Bethany and Anna, and how much you loved your grandchildren: Reid and Ally. Your memory lives on through them and every time I make my cheese noodles from scratch, I will chuckle and smile, knowing we both made them the same way. Thank you for showing me acceptance and love, when the world laughed in my face. You were my favorite and I am devastated that you are gone, but feel comfort in knowing how many people's lives you have changed for the better. Rest easy Aunt Reba. I love you! Alicia
