“ My love and prayers, Miss Betty. Robert Alan was always so sweet and smiling. It has been years since I last saw him, but he hugged me and told me how good it was to see me, and I felt the same about him. Take care...I'm so sorry for your loss.

“ I had Mr. Almond as a teacher for 13 years, 8 of those years as a band director. But, he was so much more than that. He was always so full of life and there was never a dull moment around him. I attribute him with my great love of music. Whenever I think about my school years, he is in the majority of my memories. He was a great person and will truly be missed. I give my deepest sympathy to his close friends and family!

“ I remember playing the night away with Robert Allen and my sister, Pam. We had so much fun and yes, fought a lot. lol We lost touch for years after that until he came back to DeWitt. We picked right back up where we left off and laughed, and talked like there was no passage of time. I love this family: Ms. Betty, Mr. Robert, and I will miss you Robert Allen. I pray that the suffering is gone and you are resting at the Lord's side. Until we meet again, keep smiling for me.
