“ I can just go back to the very first day I met you in Littlerock (EastEnd) you were my protector my dad my uncle my everything I've always had a heart for u no matter how late it was I made sure that u didn't need for anything. I miss your smile you coming down the street just to spark up a conversation with me and always calling me soul sister I miss u more then life Can I promise I wish u could just come back for one day and just spend time with me once again. I love u forever more and more..
