“ I have so many fond memories of Sharon at City Clerk functions and IIMC Conferences! We would room together to save on expenses and she taught me to pamper myself because I deserved it! She was always the life of the party and her smile would light up the whole room! She was a beautiful person inside and out. She loved her family and my heart goes out to you all. She will be missed by all. RIP my friend!

“ I am so sorry to hear of Sharon's passing. I worked with Sharon at the City of Barling for several years and we became friends. She was such a beautiful, fun filled and gracious person. I loved her and her great personality. Just recently we had talked and she was trying to help me find a home for my sister's two little dogs after her passing in January. Sloan and family my prayers are with you. May God give you the extra strength in the days ahead.
