So so sorry to hear of Kay passing. she was one of the sweetest people and I loved her laugh. It's been years since I've seen her... but I never forgot her.

“ She cared more about us kids than ANYONE I knew growing up. She out worked 90% of the men she worked with scooping up rotten rice for Riceland Foods for nearly 30 years to make sure us boys had new shoes and clothes each year... she busted her BUTT for us.. along with the help of Patricia and David Kagebein... who was her only help other than the good Lord himself... she'll always be my best friend and gonna make it my daily prayer that I'll get to hug her neck and kiss her sweet lips again.. it's gonna be so hard not having her to call every single day after work.. but the lord apparently needed her... she'll always be in my thoughts and prayers and I sure hope we reunite soon.. I love you Kay Kagebein.... you was as PERFECT of a mom as a mom could get and I'll cherish your memories always. Until the day we get to see each other again.. love you
