“ Shirley was always a blessing to our family! We attended church together for years and we lived in the same neighborhood! We used to pick Mrs. Katie up when she got where she couldn't walk to church any longer. This family has been a part of our family for years! She's in the presence of the Lord and has no more pain or heartache! Sending our love to all of you!

“ There are no words to describe all the good and funny escapades that Granny and I have shared together. All the bowling trips the crazy things we would do, the fun we had. The joy of sharing our faith. Even tho a lot of her friends have gone on before. She will be greatly missed by me, and especially the nurses and CNAs at her last earthly home. We love you Granny Lane. But I know she can now have joy and fun again with her loved ones and especially her Lord Jesus Christ.
