“ Aunt Shirley was one of a kind. She was always so kind to all of us kids, and I know we got on her nerves, but she never once showed it. My favorite memories of Aunt Shirley are when we used to all go to Merrisach Lake and Arkansas Post and have cookouts. All of the family would go and it was such a wonderful time with her. She also cooked a mean goulash when I was a boy. I always loved to go to her house when she cooked that goulash. :) I know she's whole again and for that, I'm happy. She will be missed, but what a wonderful legacy she leaves with all of her wonderful children and grandchildren.
